Welcome from the Event Organising Team

The Boneo Park Team are so excited to be entrusted with the running of the 2021 Construct Victorian Youth Dressage Championships, the pinnacle dressage event for young riders in Victoria. With classes from Prelim to U-25 Grand Prix there is certainly something for everyone at this event.

Dressage is an increasingly popular sport in Australia and the young riders are the future of this sport. This event provides Interschool and Participation classes for those with less competition experience, right through to the FEI classes for the more seasoned competitor. Riders have the opportunity to compete among their peers with riders up to 25 years of age eligible. This inclusive event provides an important stepping stone on the pathway to a successful competitive career.

I would like to thank our wonderful sponsors, judges and event volunteers who are crucial to the running of the event. Additionally, I would like to thank the competitors for being a part of this event. I wish you all good luck, have fun, catch up with old friends, make some new friends and most importantly enjoy your horse.

After a somewhat challenging 2020, bring on 2021 and let's hope for a fabulous year ahead.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) requires all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all those involved in equestrian sport to attain the highest possible levels of education in their areas of expertise relevant to the care and management of the competition horse.

SPECIAL AWARDS

BRIANA JUDGE MEMORIAL TROPHY

27/2/1982 – 11/1/2003

Anthony and I have been involved with the Young Rider Championships since 2003, when Suzannah Clarke suggested that a Memorial Trophy would be a lovely way for our daughter

Briana to be remembered. Briana died in January 2003, from complications following a car accident in Dubai and we were really humbled by the reactions of both organisers and competitors alike when they heard her story.

Briana had a passion for horses of any size, colour or breed, but she was especially drawn to Dressage. Prior to travelling to Dubai to work for the Royal family, Briana was competing at Medium/Advanced level on her beloved Thoroughbred Academy Award (Oscar). For the first few years Anthony and I attended the final day to present Briana's Award and were truly amazed at the talent of all competitors, but especially the recipients of Briana's Award.

We feel the award, being for competitors who are both EV and PCAV Members, reflects Briana's strong ties and the attitudes she had to the importance of both organisations and what they did and continue to do for aspiring horse people.

Once I retired, I decided that I would like to be more involved and this led me to volunteer my services for the duration of the Competition, and I have to say that I thoroughly enjoyed myself, working alongside an amazing group of people. I truly believe that the future of the Young Rider Competition is bright and that the depth of talent in our young riders can only grow.

Bron & Anthony Judge

Taylor Farley Memorial

Awarded to the highest placed Victorian Junior (under 18 years) in the Novice Championship. Presented by the Farley family in memory of their daughter Taylor, who was an active and highly successful member of the EV YR Dressage Squad.
