About the Event

The Victorian Youth Dressage Championships is one of the biggest equestrian championship events for riders between the ages of 8-25 in Australia. With over 2000 followers on social media and over 1000 people attending the event every year, the Victorian Youth Dressage Championships attracts equestrian enthusiasts from all over the country.

The Victorian Youth Dressage Championships has a long and proud history, nurturing young dressage riders and providing unparalleled opportunities, as well as hosting a quality, professionally run event.

The 2024 Championships will run from Thursday 11th – Sunday 14th January at Boneo Park Equestrian Centre on the Mornington Peninsula.

In 2024, the Victorian Youth Dressage Championships will be offered at every level for riders up to 25 years of age. From Preliminary (first level test) to Grand Prix (highest level test). We will also be offering FEI level tests for Children, Pony, Junior and Young riders.

Freestyles to Music at levels from Novice to Grand Prix will also be offered, and for some fun, a Pas de Deux competition where riders dress in costume and show off their freestyle with a partner.

There will be a Trade Village and a Sponsor Appreciation dinner on the Saturday night at Boneo Park.

This event has historically allowed for many successful young riders to make the transition to the senior ranks, developing their talent and confidence through competing at their own Championships.

The Victorian Youth Dressage Championships regularly attract many interstate riders who do battle with their Victorian counterparts. There will be riders who are on National and State Squads, including several riders who feature in the FEI World Rankings.

The event is supported by parents together with established sponsors, and in 2024 we will also welcome new sponsors who can see that the future of our sport is vested in these talented youngsters.

The history of the event is also mirrored in the many perpetual trophies, especially ones to celebrate the lives of **Briana Judge & Tayla Farley**, tragically lost to us while pursuing their dream. Talented and much-loved horses are also celebrated with perpetual trophies.

With your sponsorship, we can continue to provide this exciting and challenging competition for these promising future dressage champions.
